ORDER:

-

No representation for the petitioner.

Heard the learned Assistant Government Pleader.

This petition is filed questioning the acquisition of the land belonging to a temple, said to be in possession of the petitioner as a tenant.

Since the averments in the counter affidavit of the second respondent filed on behalf of the respondents shows that the land proposed to be acquired was taken possession of on 12-03-1996, and that house site pattas were prepared on 14-03-1996 and were handed over to the beneficiaries on 09-06-1996 and that the managing trustee of the devasthanam whose land is sought to be acquired has received the advance compensation awarded on 30-07-1996, and that the petitioner did not raise any objection putting forth his claim as a tenant of the land under acquisition before the Land Acquisition Officer, petitioner is not entitled to any relief.

Hence, the Writ Petition is dismissed with costs.
